

### UTP Power Guarantee 12 V DC Series with Passive Video Balun Server

**Features:**

- Available for four-, eight- and 16-CH to each camera side 1096 mA
- Passive video balun with multiple protection mechanisms
- Power input supports 100 to 240V
- Regulated 36 V DC output power and step down to exactly 12 V DC on camera side
- Connector reverse polarity and short-circuit protection design
- Using three pairs of UTP cabling to carry more current, one pair for video

■ UTP Balun/U.S.

### Netstor NR760A- Desktop iSCSI Networking Storage

**Features:**

- Desktop eight bay iSCSI /IP storage
- Support RAID levels 0, 1, 0+1, 5, 6, 50, 60 and JBOD
- Web-based UGI for remote control
- Online volume expansion and migration
- Event notification via e-mail, SNMP trap, Windows and browser
- Dual ports Gigabit Ethernet

■ Netstor Technology/Taiwan  
■ E-mail: [sales@netstor.com.tw](mailto:sales@netstor.com.tw)

### Merit LiLin WDR Full Range Camera

**Features:**

- Ultrahigh resolution with 600 TVLs
- WDR ratio at 4,000:1
- 3-D DNR
- Electronic image stabilization
- OSD menu setup
- 10x digital zoom

■ Merit LiLin/Taiwan  
■ E-mail: [sales@meritlin.com.tw](mailto:sales@meritlin.com.tw)

### iCanTek iCanView362MP Megapixel Network Camera

**Features:**

- Dual codec: H.264 and M-JPEG
- Two megapixels
- Vandalproof housing
- 15 fps at 1,600 by 1,200 pixels
- Built-in PoE and analog video output
- 0.2 lux at F1.2 multiprofile streaming digital PTZ

■ iCanTek/Korea  
■ E-mail: [icantek@icantek.com](mailto:icantek@icantek.com)

### Digital Data NVR-0216 Video Recorder

**Features:**

- Live recording and playback for 16 network cameras simultaneously via the local network or the Internet
- Compression formats: M-JPEG, MPEG-4 and H.264
- PTZ, preset point, preset sequence and motion detected event displayed on e-map

■ Digital Data Communications/Germany  
■ E-mail: [sales@level1.com](mailto:sales@level1.com)

### Fulix FXR-3004/3008/3016 H.264 Real-Time DVR

**Features:**

- Display resolution: D1, Half D1 and CIF
- Simple GUI
- System failure detection and notification
- Privacy masking zone
- CMS offered
- 3-G mobile phone remote monitoring

■ Fulix Technology/Taiwan  
■ E-mail: [sales@fulixtech.com](mailto:sales@fulixtech.com)

### RapidOS DVH4/8 H.264 Stand-Alone DVR

**Features:**

- Client software to control 32 DVRs accounting for 512 cameras
- Supports resolution: CIF, Half D1 and D1
- Remote monitoring via Internet and 3-GPP mobile phones
- Real-time recording for live view at D1, recording at Half D1 for four channels and CIF for eight channels
- Alarm alert via e-mail and SMS to mobile phones
- Simultaneously remote monitoring for 64 cameras on a single screen

■ RapidOS System/Taiwan  
■ E-mail: [info@rapidos.com.tw](mailto:info@rapidos.com.tw)

### Vi-Search Video Search and Analysis Tool

**Features:**

- Rapid, automated retrieval and analysis of information within recorded video
- Scans days of stored video in seconds to display accurate results
- Single server simultaneously supports up to 200 cameras
- Integrates with multiple edge devices and video management systems
- Forensic search for particular events/targets (person, vehicle, object)
- Motion path analysis to identify trends and anomalies
- People/vehicle counting and statistical analysis for business intelligence

■ Agent Vi/Israel  
■ E-mail: [sales@agentvi.com](mailto:sales@agentvi.com)

### Cansec Air-485 Wireless Modem

**Features:**

- Indoor range through multiple walls: 152 to 213 meters (500 to 700 feet)
- Line of sight range: 10 kilometers (6.2 miles)
- 900 MHz frequency hopping spread spectrum
- 128-bit AES encryption
- Supports point-to-point, multipoint technologies and multiple networks per site
- Built-in signal strength indicator LEDs simplify device location

- **Cansec Systems/Canada**
- **E-mail: sales@cansec.com**

### GKB 8605 Digital WDR Camera

**Features:**

- Sony Super-HAD CCD with 600 TVLs
- Digital zoom with provided OSD control from one to 32x
- Digital WDR presents a clear image even under strong contrast environment
- 3-D DNR
- Highlight suppression BLC
- Wide range of AWB

- **GKB Security/Taiwan**
- **E-mail: sales@gkbsecurity.com**

### Compro IP570 H.264 Network Camera

**Features:**

- PTZ with 12x optical zoom
- Compression formats: H.264, M-JPEG or MPEG-4
- Megapixel/HD resolution
- Two-way audio
- Optional 802.11 b/g/n wireless module
- Supports MicroSD and SDHC

- **Compro Technology/Taiwan**
- **E-mail: sales@comprousa.com**

### AVerMedia AVerDiGi IWH3216 Touch Hybrid DVR

**Features:**

- H.264 compression with 240/200 fps at D1
- 16 channels of network/analog cameras
- Dual Gigabit LAN support flexible configuration for different installations
- Independent dual streams for most efficient bandwidth consumption
- Touch front panel for operation and function settings
- Intel dual-core processor D510

- **AVerMedia Information/Taiwan**
- **E-mail: nvd.info@avermedia.com**
